The Town Assessor Neil Betts reviewed the Assessment Roll and discussed the changes, no objections were filed.

Assessor Neil Betts stated the estimated level of assessment for the current year.

Neil also stated the DOR has projected that the township will be out of compliance. A possible 2025 property revaluation for the whole township was discussed. Another option discussed was to only do an exterior revaluation, to get the town closer to compliance. A property revaluation would appraise all real property within the taxing district according to its full and fair value.
